

Summer Discovery

Free for Multilingual Language Learners in the Cambridge Public Schools and entering grades 9-12. Come get credits and get paid through the Mayor's Summer Program!

This is a 4-week summer program for Multilingual Language Learners (MLLs) entering grades 9-12 who will be taking the ACCESS test and the MCAS within the next year or two.

The Summer Discovery Academy activities will help students improve their English and Math skills and MCAS scores. Classes will meet 5 times a week, but once a week, students will go on mandatory field trips to local colleges and historical places in the Cambridge and Boston areas. Students will be involved in cooperative learning and hands-on activities.

Department of Multilingual Learner Education
